Sir,

Subject Treating the Farm Manager's quarters as rent free

The Municipal Farm is situated at the southern end of the City The Farm Manager and other staff posted to the Farm, had to be put up at places far away from the Farm It was felt desirable that if houses are provided to the staff very near the Farm, it would be greatly helpful for the effective watch over the Farm and its work With this end in view three sites very near the Municipal Farm were purchased from the Trust Board and on one of these a building was constructed at a cost of Rs 4276 30 to serve as the quarters for the Municipal Farm Manager

The question of giving the quarters free or otherwise to the Farm Manager was then a point for consideration for the Council on an urge made to this effect by the Farm Manager, quoting the analogy and also the inconveniences that are caused to the incumbent on account of forced stay at a required spot After due examination, the Council resolved at the meeting held on 2-4-1956 that the quarters be provided to the Farm Manager free of rent

I enclose a copy of the resolution and request that orders of Government may kindly be obtained in this behalf and communicated
